**Courses may be bought in-house for your team or where suitable delivered via zoom*
(*exclusions may apply where practical skills need to be demonstrated by the learner)**

**Please contact a member of our team to discuss specific requirements
or options for your service, we are able to develop new and bespoke training and assist
managers in developing their staff and enhancing clinical and team working skills**

**Two half day sessions can be combined on the same day (either repeated courses or two
different dependent on trainer availability).**

Please also see our website for information on our OPEN Course schedules.

**All our trainers are experienced nurses and educators – working within health & social
care for many years in a variety of support/clinical or management roles.**

**For further details or to make a booking,
please contact us on
Tel: 01603 611107, email training@tihcuk.com
